	Transport height	1,88 m		People outdoor	1
	Total weight	4.549 kg		Drivable at full height	Yes

Produktbeschreibung

- Effortless mastering of difficult access or loadings thanks to its strong, zero-emission drive with standard differential lock
- Smooth and precisely control because all functions (driving, lifting, lowering) are proportional
- Enormous 700 kg load capacity for take-away of heavy materials and tools
- A consistent steering geometry with 90° steering angle allows total flexibility and almost a turn "on the spot"
- Whether shelf works in warehouses or action in facade engineering – an in- and outdoor approval enables nearly every conceivable application area
- Its compact design with only 1,22 m width allows trouble-free operations in very confined spaces
